CERTIFICATION BODY

Global Quality Certification Ltd. (GQCL) is a UK-registered, independent, accredited **ISO Certification Body**, **Validation / Verification Body**, and **Inspection Body**.

Since 2010, we have empowered organizations across Europe, the Middle East, and Africa to meet and exceed international quality, sustainability, and safety standards.

With regional offices in the UK, Egypt, Lebanon, Iraq, Saudi Arabia, and the UAE, GQCL bridges global frameworks with tailored, local delivery.

We are accredited by the Egyptian Accreditation Council (**EGAC**), an **IAF MLA** signatory, and operate under **ISO/IEC 17021**, **ISO/IEC 17020**, and **ISO/IEC 17029** frameworks.

MISSION & VISION

- Independence and impartiality are at our core.
- We build long-term partnerships, not just one-off audits.
- We help client reduce carbon emissions, and participate in the carbon markets, thru our statement of Validation & Verification based on international standards.
- We provide international certification to elevate organizations from operational management to robust governance, anchored in internationally recognized standards across key sectors such as energy, safety, quality, and environmental management, etc...
- Thru our Inspection Body, we provide impartial, accredited, and technically effective inspection services, supporting safety, compliance, and performance across industries.
- We strengthen client capacity through training and clear guidance.

CORE SERVICES

01 Management Systems Certification

GQCL provides accredited and internationally recognized ISO certification services across a broad portfolio of management systems, helping organizations achieve excellence in quality, environment, safety, security, energy, education, and sustainability.

GQCL is accredited by EGAC in compliance with the requirements of:

ISO/IEC 17021-1:2015 - ISO/IEC 17021-2:2016 - ISO/IEC 17021-3:2017 - ISO/IEC 17021-10:2018
ISO 50003:2021 - ISO 22003-1:2022 - ISO/IEC 27001:2022 - ISO/TS 21030:2023

In the field of:

ISO 9001:2015 – Quality Management Systems (QMS)
ISO 14001:2015 – Environmental Management Systems (EMS)
ISO 45001:2018 – Occupational Health and Safety Management Systems (OHSMS)
ISO 22000:2018 – Food Safety Management Systems (FSMS)
ISO 27001:2022 – Information Security Management Systems (ISMS)
ISO 50001:2018 – Energy Management Systems (EnMS)
ISO 21001:2018 – Educational Organizations Management Systems (EOMS)

GQCL provides direct certification services for other management systems:

ISO 22301:2019 – Business Continuity Management Systems (BCMS)
ISO 13485:2016 – Medical Devices - Quality Management Systems (MDQMS)
ISO 28003:2007 – Supply Chain Security Management Systems (SCSMS)
ISO 10002 :2018 – Customer Satisfaction and Complaint Handling (QMCS)
for other certification services please contact us: info@gqcl.co.uk

CORE SERVICES

02

GQCL validation/verification program that conforms to ISO/IEC 17029 and ISO 14065, ISO 14064-3, ISO 14066

We conduct our services in accordance with:

ISO 14064-3: Greenhouse gases—Part 3: Specification with guidance for the verification and validation of greenhouse gas statements.

ISO 14065: General principles and requirements for bodies validating and verifying environmental information.

ISO 14066: Competence requirements for teams (including technical experts), and independent reviewers involved in the validation and verification of environmental information.

ISO 14067: Greenhouse gases—Carbon footprints of product—Requirements and guidelines for Quantification.

ISO/IEC 17029: Conformity assessment—General principles and requirements for validation and verification bodies.

IAF Mandatory Document 6:2023

Scope of GQCL's GHG Verification Services:

ISO 14064-1: Organizational GHG emissions quantification and reporting.

ISO 14064-2: GHG mitigation and offset projects.

GQCL's ensures transparency, accountability, and alignment with:

- Nationally Determined Contributions (**NDCs**) under the Paris Agreement,
- EU Carbon Border Adjustment Mechanism (**CBAM**) regulations,
- Voluntary carbon markets and international environmental finance platforms.

WHY CHOOSE GQCL?

Globally Recognized Accreditations:

Our accreditations under ISO/IEC 17021-1, ISO/IEC 17020, and ISO/IEC 17029 demonstrate compliance with international best practices in certification, inspection, and GHG verification. Our global presence combines European regulatory credibility with operational agility across the MENA region. Our regional offices in Egypt, Lebanon, Iraq, Saudi Arabia, and the UAE enable seamless support across diverse jurisdictions.

Comprehensive ISO Expertise: from quality and environmental systems to greenhouse gas verification and industrial inspection, we deliver a full suite of accredited Testing, Inspection, and Certification (TIC) services.

Sector-Specific Knowledge: We support clients in energy, logistics, manufacturing, ports, government, and more—with tailored methodologies adapted to regional regulations and sectoral demands.

Local Delivery, Global Assurance: Our field teams combine on-the-ground familiarity with international conformity requirements, ensuring both technical accuracy and cultural relevance.

Transparent, Timely, and Trusted: We deliver fast-track certifications, audit readiness, and post-certification support with full integrity and client transparency.

Cost-Effective, Globally Aligned: Our accreditations meet international standards under IAF and ILAC, yet our operational model is regionally optimized—delivering globally recognized certifications at competitive.
